**Officer Buckle and Gloria**
by Peggy Rathman, and
**Police Officers on the Go**
by Alyse Sweeney

**Before Reading**
Talk about firefighters and firehouse dogs. How do you think Dot will be able to help the firemen do their job? Ask your child to tell you what a fire engine siren sounds like.

Talk about the vocabulary words in **A Very Busy Firehouse:** fire axe, fire chief, firefighter, fire truck, helmet, nozzle, and siren. This promotes the PA Language and Literacy Development standard.

**After Reading**
Dot shares very helpful fire tips at the end of the story. Discuss these tips with your family and talk about how you can be safe. Do you have a fire plan?

**Pretend Play**
Pretend to put on fire boots, fire pants, a fire jacket, and a fire helmet. Then pretend to put out a fire with a fire hose. Any cylindrical object can be a pretend hose (paper towel roll, empty water bottle, etc.).

**Observe**
- Look for fire hydrants along the side of the road while in a car or on a walk.
- Dot is a Dalmatian with black spots. Look for black circles near you. Are there circles of other colors nearby? This promotes the PA Mathematical Thinking and Expression standard.

**Move and Sing**
- Practice Stop, Drop, and Roll.
- Make a fire engine sound noise.

**Explore**
- Eat spaghetti for dinner just like the firefighters in the book.
- Brainstorm other good firehouse-related names for Dot.
- Do the fun Puzzlers included on the BookFLIX site.
- Make a thank-you card for a firefighter. Visit a local firehouse to deliver the card and ask for a tour. Be sure to tell the firefighters everything you learned from the two books. This promotes the PA Creative Thinking and Expression standard.

When George starts meowing like a cat and mooing like a cow, his mother brings him to the vet to find out what’s wrong. Read *Bark, George* to see what the vet pulls from George’s stomach. Then learn more about real-life veterinarians with *Pets at the Vet*.

If you don’t have a library card, visit your local public library or get an eCard at kids.powerlibrary.org.
Before Reading
Talk about animal sounds together. What sound does a dog make? Does a dog say “meow”? How about “quack”?
Talk about the vocabulary words in Pets at the Vet: checkup, veterinarian, thermometer, stethoscope, medicine, X-ray, and cast. This promotes the PA Language and Literacy standard.

After Reading
A veterinarian is a doctor for animals. Talk about how a vet does a checkup on an animal. How is it similar or different from when you go to the doctor?

Pretend Play
Pretend to be a veterinarian and do a check-up on a stuffed animal. Do not use a live animal because they may bite you or you may hurt them. Look at their eyes, nose, and mouth. Does everything look okay? Feel their stomach; does it feel normal? Look closely at their fur. Is it shiny and nice, or are there bald spots?

Observe
🌟 Count all of the dogs you see in one day.
🌟 Go to a dog park to watch dogs play. Be sure to listen for them to bark.

Move and Sing
🌟 Sing “There Was an Old Lady Who Swallowed a Fly.” This promotes the CA Creative Thinking and Expression Standard.
🌟 Do a dance like George’s mother.

Explore
🌟 Eat animal crackers. Pay attention to each animal and make the sound of that animal after you swallow the animal cracker.
🌟 Talk about the strangest thing you ever ate.
🌟 Read the story to your pet.
🌟 Do the fun Puzzlers included on the BookFLIX site.

Chato the cat is happy when a family of mice moves in next door. He invites them over for dinner but intends for the mice to be the main course. Chato’s plans get changed when the mice bring a friend for dinner to Chato’s Kitchen.
Before Reading
Look at the cover of the book. What do you think Chato likes to cook in his kitchen?

After Reading
This book has a fun twist when Chorizo turns out to be a dog. What did you think was going to happen when the mouse family friend showed up?

 Pretend Play
When the family of mice first sees Chato, they are very scared. Make a face like a scared mouse. Look in the mirror to see what your scared face looks like.

 Observe
Look at the foods in your refrigerator or pantry. Talk about foods that are healthy and foods that are unhealthy. For example, cake is unhealthy but it’s okay to have it every once in a while.

 Move and Sing
Chato’s tail swings to the rhythm of the music in the beginning of the book. Dance along with Chato.

 A birthday cake is made in Math in the Kitchen. Sing “Happy Birthday to You” together. Talk about the dates for family members’ birthdays.

 Explore
 Chat is a cat so he likes to eat mice. Draw pictures of the types of foods you like to eat. This promotes the PA Creative Thinking and Expression standard.

 Chato’s Kitchen features many Spanish words. Count from one to ten together in Spanish to reinforce learning another language: uno, dos, tres, cuatro, cinco, seis, siete, ocho, nueve, diez.

 Put a set of measuring cups in order from smallest to biggest. This promotes the PA Mathematical Thinking and Expression standard.

 Do the fun Puzzlers included on the BookFLIX site.

 Cook/make one or more of the items on Chato’s menu together as a family. Include small children in safe cooking activities, such as putting together a shopping list, gathering ingredients, and measuring ingredients. Save more “dangerous” parts, such as working with hot pans and using knives, for older children and adults. Chato’s menu includes arroz (rice), carne asada (grilled steak), chiles rellenos (stuffed chile peppers), chorizo (sausage), enchiladas, fajitas, flan (caramel-coated custard), frijoles (beans), guacamole, quesadillas, salsa, tamarindo (a drink make from tamarind), and tortillas.

Before Reading

Do you know the letters of the alphabet? Can you sing the ABC song?

After Reading

What letter does your name start with? Can you find that letter in the book?

Pretend Play

Let's Have Fun With Alphabet Riddles makes letters out of everyday objects. Use objects around your house to make more letters. For example:

- Use cookies or crackers to make a “C.”
- Use a bunch of oranges to make an “O.”
- Use pens or pencils to make a “P.”

Observe

- Look all around you. What letters can you find? This promotes the PA Language and Literacy Development Standard.
- Label objects around the house to help with letter recognition. Clearly write the name of the object on a piece of paper and tape the paper to the object.

Move and Sing

- Make up a dance to do every time you hear the words “Chicka Chicka Boom Boom.” Be sure to fall on the ground when all of the letters fall out of the tree.
- Use shaker instruments and drums along with the “Chicka Chicka Boom Boom” chorus. If you don’t have instruments, you can shake your hands as if you are shaking maracas and clap for the drum. This promotes the PA Creative Thinking and Expression standard.

Explore

- Write each letter (both upper and lower case) on a separate index card. Mix the cards up and put them back in ABC order.
- The ABCs are one essential building block for learning. Numbers are another essential skill. Practice counting from 1 to 10 together.
- Now that you’ve seen all of the letters, practice writing your name.
- Do the fun Puzzlers included on the BookFLIX site.

- Bear Has a Story to Tell by Philip C. Stead, and How Do You Know It’s Winter? by Lisa M. Herrington
- The Snowy Day by Ezra Jack Keats, and Snowy Weather Days by Katie Marsico

Before Reading
What do you like to do on sunny days? What do you like to do on rainy days?

After Reading
When the rain finally starts, the little girls get to dance in the rain with their mammas. What do you like to do in the rain with your mother or father?

Pretend Play
Do a rain science experiment. Fill a clear glass with water stopping a couple of inches from the top of the glass. Carefully put shaving cream on top of the water. Add a couple drops of blue food coloring on top of the shaving cream. The food coloring will start to push through the shaving cream causing “rain” inside the glass. The thinner the layer of shaving cream, the quicker the “rain” will start.

Observe
🌟 Look at the clouds in the sky. Do you see any shapes?
🌟 Put a group of crayons in rainbow order (red, orange, yellow, green, blue, and purple). This promotes the PA Scientific Thinking: Exploring, Inquiry, and Discovery standard.

Move and Sing
🌟 Sing “The Itsy-Bitsy Spider” or “Rain, Rain, Go Away” together.
🌟 Make the sound of rain by drumming your fingers on a hard surface. Can you make it rain slow? Can you make it rain fast?

Explore
🌟 Jump in a puddle. If it hasn’t rained recently, make a puddle using a garden hose.
🌟 Go outside in the rain and catch raindrops on your tongue. This promotes the PA Approaches to Learning through Play standard.
🌟 Drink a cool glass of water. Try to feel it sliding all the way down your throat.
🌟 Do the fun Puzzlers included on the BookFLIX site.

Before Reading
Talk about the President of the United States. What do you think he/she does in his/her job? Do you think his/her job is hard? How did he/she get his/her job?

After Reading
Who is the current President of the United States? How long has he/she been president? How old is he/she? Who was the first President of the United States?

In Duck for President the animals are allowed to vote. What do you think would happen if animals were allowed to vote in real life?

Pretend Play
Hold an election for something in your household: what to cook for dinner, what color everyone should wear tomorrow, how many books to check out from the library, or something else of your choosing. Decorate a shoebox to serve as a ballot box. Allow everyone in the family one vote. Be sure to tally the votes as a group. This promotes the PA Social Studies Thinking and Mathematical Thinking and Expression standards.

Observe
- Talk about who makes the rules in your household.
- Play a game to see who can find a farm along the side of the road first. Extra points if you see a duck on the farm.

Move and Sing
- Play “The Farmer in the Dell.”
- Sing a patriotic song together: “The National Anthem,” “My Country ‘Tis of Thee,” or “God Bless America.”

Explore
- Give a speech using only animal sounds. This promotes the PA Creative Thinking and Expression standard.
- Make a list of the different chores that have to be done in your household. Assign the chores to people in your family.
- Pretend you are running for president and create an election poster.
- Count how many years it will be before you are allowed to vote in a U.S. election.
- Do the fun Puzzlers included on the BookFLIX site.
What You Need

Duck decides to borrow a child’s bike and ride around the barn passing many farm animals on his trip. When a bunch of kids drop their bikes by the front door on their way into the house, everyone, from cow to mouse, gets a chance to join in the fun.
Before Reading

Have you ever seen a duck ride a bike? Do you think a duck could ride a bike? Why or why not?

After Reading

Talk about bike safety. What mistakes does Duck make when he rides the bike? (Examples: he does not wear a helmet; he stands up on the seat.)

Pretend Play

Pretend to act out all of the ways that Duck rides the bike: go slow and wobbly, ride faster, ring the bell, stand on the seat, and ride with no hands.

The Bicycle Safety book demonstrates proper hand signals when riding a bike. Practice those signals together while walking around.

Observe

● Count all of the bicycles you see on a trip around town. This promotes the PA Mathematical Thinking and Expression standard while encouraging bicycle safety by helping everyone in the family keep an eye out for bikes.

Move and Sing

● When all of the animals are riding bicycles, the two pigs ride on one bike together. Sing “On a Bicycle Built for Two” together. You can find versions of the song on YouTube if you don’t know the words.
● Duck says “Hello” to many animals on the farm. Reinforce the animal sounds by making them together: cow (moo), sheep (baa), dog (woof), cat (meow), horse (neigh), chicken (cluck cluck), goat (maa), pig (oink), and mouse (squeak).

Explore

● A bicycle is just one fun way to get around. Retell the story and have Duck ride a skateboard, use roller skates, or do another fun activity of your choosing. This promotes the PA Language and Literacy standard.
● Using the Bicycle Safety book as a guide, check your family bicycles for safety features. Do they have reflectors and a bell or horn? Check everyone’s helmets for proper fit. This promotes the PA Health, Wellness, and Physical Development Standard.
● Go for a bike ride with your family.
● Write a letter to your mayor, governor, or other elected official asking for more bike lanes on roads. Younger children can dictate their letter to an adult. This promotes the PA Social Studies Thinking standard.
● Do the fun Puzzlers included on the BookFLIX site.

BookFLIX is brought to you by...
Before Reading
What happens to our trash after we put it in the garbage can?

After Reading
What would it be like if there weren’t trash trucks? Where would all of the trash go?

Pretend Play
Pretend that you are a trash truck and your toy box is a landfill. Pick up all the trash (your toys) and put them in the landfill. Don’t forget to make sounds like a garbage truck: beep as you back up, crunch up trash, and make your tires rumble.

Observe
🌞 The Garbage Truck likes alphabet soup. Look for letters of the alphabet on signs along the road. This promotes the PA Language and Literacy Development standard.
🌞 Count the trash cans in your house or along the side of the road.

Move and Sing
🌞 Listen to the song “I Love Trash” by Oscar the Grouch from Sesame Street.

Explore
🌞 Sort empty cans or bottles by size or color. This promotes the PA Mathematical Thinking and Expression standard.
🌞 Participate in a community trash clean-up day at a local park. Be sure to wear rubber gloves and have an adult help you. Never pick up broken glass.
🌞 Collect all of the trash in your car and throw it in a trash can or recycling bin at your next stop.
🌞 The garbage truck in this book works at night. Talk about who else works at night.
🌞 Create a list of things that smell bad and a list of things that smell good.

Ask if your library has a book about your favorite football team. (I)

(I)=Information, (F)=Fiction

**Before Reading**
What does it mean to be on a sports team? Talk about practicing, team spirit, and sportsmanship.

**After Reading**
Who do you think Miss Viola Swamp really is?

**Pretend Play**
Make up a brand-new team game. What is the game called? Does it need a ball? What type of ball? How are points scored? How many people are needed on a team?

**Observe**
- Draw a picture of Miss Nelson and Miss Viola Swamp. What is different about the two ladies? What is the same? This promotes the PA Creative Thinking and Expression standard.
- Retell the story to a friend. This promotes the PA Language and Literacy Development standard.

**Move and Sing**
- Exercise is more fun with music. Sing “Head, Shoulders, Knees, and Toes” together as a fun way to move around.
- Cheerleaders help support the Smedley Tornadoes during the big Thanksgiving Day game. Create a cheer for your favorite team. Make it active by adding movements.

**Explore**
- Coach Swamp makes the team exercise during practice. Exercise as a family. You can do leg lifts and run like the team in the book or do exercises that you find fun. Try to come up with fun exercises you can safely do in a car. This promotes the PA Health, Wellness, and Physical Development standard.
- Some games can be played anywhere. Play Tic-Tac-Toe, Rock/Paper/Scissors, or Simon Says together.
- **This Is the Way We Play** shows games that children play around the world. Learn how to play a new game like mancala or marbles. Go to your local library and ask for a book on how to play.
- Institute a family game night. Pick one night each week (or each month) that the whole family gets together to play games. The games can be sports or board games.

If you don’t have a library card, visit your local public library or get an eCard at kids.powerlibrary.org. BookFLIX is brought to you by.
Before Reading
What do police officers do? Has a police officer ever visited you at school or daycare?

After Reading
Officer Buckle wants everyone to be safe. Why don’t people like his presentations before Gloria joins him onstage? Is Gloria good at presenting by herself? Why or why not?

Pretend Play
Act out some safety tips for your family. Use extra caution so that no one gets hurt. This promotes the PA Creative Thinking and Expression standard.

Observe
🌞 Look for star shapes around you. Is anyone wearing a star on their clothing, buttons, or jewelry?
🌞 If you see a police officer this week, walk up to him/her and say hello. Be sure to tell them that you just read a book about police officers.

Move and Sing
🌞 Sing “How Much Is that Doggie in the Window” together.

Explore
🌞 Write a thank-you letter to Officer Buckle. Be sure to include a drawing of Gloria. This promotes the PA Language and Literacy Development standard.
🌞 Share ice cream with someone you love, just like Officer Buckle and Gloria do after a presentation.
🌞 Officer Buckle has 101 safety tips. Count to 101 together.

Before Reading
What do you think teeth would learn about if they went to school?

After Reading
Answer this question: “What is the most important thing you should do twice a day to keep your teeth healthy?”

Pretend Play
Pretend that your toes are teeth. Use yarn or ribbon to “floss” in between your toe teeth.

Observe
- Open wide. Use a mirror to count the teeth in your mouth. If you haven’t lost any baby teeth, you should have 20 teeth. (Adults have 32 teeth if none have been removed.)
- After eating, open wide and use a mirror to see the food left behind on your teeth.
- Teeth come in different shapes and sizes. Using clean fingers, feel around in your mouth to see how some teeth feel different from others. This promotes the PA Scientific Thinking standard.

Move and Sing
- Listen to the “Tooth School Anthem” at the end of Open Wide. Make up a dance to the song using just your mouth. This promotes the PA Creative Thinking and Expression standard.
- At the start of the day, the tooth class recites their pledge. Recite the tooth pledge before brushing your teeth: “I pledge allegiance to this mouth and to the dentist who takes care of us. And to the gums on which we stand, strong and healthy, with toothbrushes and toothpaste for all.”

Explore
- The tooth fairy tells her story in Open Wide. Put something small like a tooth under a pillow (a small Lego piece will work). Reach under the pillow and try to find the object without picking up the pillow.
- Use an old toothbrush and toothpaste to draw a picture on a dark piece of paper. Throw away the toothbrush or store it with art supplies after you are done; do not use the toothbrush in your mouth again.
- Find an apple without any bruises or holes. Carefully use a knife to poke a hole the size of a pencil eraser in the apple (have an adult help). Look inside the hole to see that everything is still healthy and clean. Leave the apple on the counter. Look at the hole every day for a week to watch it grow mushy and gross. Talk about how the hole is like a cavity in a tooth.

Rosie the hen goes for a walk throughout the farmyard. A fox follows closely behind but he runs into trouble each time he tries to catch Rosie.
Before Reading
Rosie is going to take a walk through the farmyard. What do you think she will see along the way?

*A Chick Grow Up* has many new vocabulary words. Talk about these words and what they mean: hen, chicks, nest, embryo, hatch, down, comb, wattle, and roosters.

After Reading
What do you think happens to the fox after he crashes into the beehive? Do you think he ever tries to catch Rosie again? What do you think he had for dinner instead?

Pretend Play
Using objects around the house, recreate Rosie's walk. Examples of possible ways to recreate the book include:

- “across the yard” – walk across a room or walk across your yard
- “around the pond” – walk around an area rug
- “over the haystack” – climb over a pile of pillows
- “past the mill” – walk past a fan
- “through the fence” – walk through a “fence” of dining room chairs
- “under the beehives” – crawl under the kitchen table

Feel free to use your own imagination to make this book come to life. You can also go for a walk through a park and use various playground equipment to recreate the story.

Observe
🌟 Crack open an egg. Talk about how the yolk can become a chicken. Be sure to reassure sensitive children that this egg was not fertilized and would never have become a live chicken. This promotes the PA Scientific Thinking standard.

🌟 You see what happens to the fox throughout the story but there are no words for this part of the story. Talk about or write down what happens to the fox each time he tries to catch Rosie.

Move and Sing
🌟 Since there are few words in *Rosie’s Walk*, fun music plays in the background throughout the book. Walk/dance like a chicken to the music.

🌟 Rosie sees very few farm animals on her walk. Introduce Rosie to the sounds that farm animals make by singing “Old MacDonald” together.

Explore
🌟 The fox wants to catch Rosie for dinner but you could pretend that he was just playing “Follow the Leader.” Take a walk around your neighborhood while playing “Follow the Leader” together.

🌟 During the course of her walk, Rosie goes across, around, over, past, through, and under. Demonstrate each of these prepositions using your hands.

🌟 Draw a picture of each of Rosie’s actions: “across the yard,” “around the pond,” “over the haystack,” “past the mill,” “through the fence,” and “under the beehives.” Mix up the pictures and see how well you can remember the correct sequence of the story. This promotes the PA Language and Literacy Development standard.

🌟 Do the fun Puzzlers included on the BookFLIX site.
